RIPPLES 2018

BAY AREA'S LARGEST
TEEN ENTREPRENEURSHIP
CONFERENCE

Come and learn from Bay Area's best entrepreneurs, businessmen and professors.

Learn from Bay Area's best entrepreneurs, businessmen and professors.

Mindset for Success

DR. HASSAAN TOHID (CASN) is a neuroscientist, public speaker, medical professional, researcher, book editor and a published author. He served as a member of American Neuropsychiatric Association and is currently also a Leadership Council member for American Cancer Society.

Money Intelligence

MONTE MALHOTRA is a Chief Dream Enabler, Founder at Money Intelligence. A Stanford graduate in Economics, author of Young Investor's Guide to Real Estate Investing: 25 Secrets for Success.

Success Stories – Turning Entrepreneurs into Successful CEOs

BOB KROON has the solution to all of your problems - whether its business, finance, planning, marketing and sales or anything that is bothering you. Mr. Kroon is the CEO of Expeerious and coaches high performing top executives: business owners, founders, partners, and CEOs.

Building a Business without Raising Money

MATTHEW OLIVIERI is founder and chief executive officer of AdSemble, the leading online marketplace where advertisers can launch their own digital billboard campaigns completely self-service. Matthew is the visionary behind AdSemble's product and platform strategy.

Entrepreneurship Bootcamp – Idea to Market

NAEEM ZAFAR has been teaching entrepreneurship as a faculty member at the University of California, Berkeley since 2005 as a part of the Haas Business School MBA program, as well as in the College of Engineering to graduate and undergraduate students. He has consistently been one of the highest ranked professors in entrepreneurship and strategy. Mr. Zafar is an entrepreneur, a teacher, an investor, and a mentor.
